2.1. Overview of the Budget vs Actuals for the Second Quarter

Voluntary Intervention for Blue Crane Route Municipality

BCRM'S management held a workshop on 5 to 6 November 2024, Provincial Treasury in Gqeberha. During this workshop, various financial problems were listed and discussed. Actions were formulated to address these financial problems. Time frames were agreed upon and the buy in municipal officials was requested.

The outcome of these celebration was that the municipality would request a voluntary intervention for Provincial Treasury. The end goal is to present a draft voluntary financial recovery plan to Council on Friday, 24 January 2025 for implementation.

Operational Budget

The total current accumulated revenue for the quarter that ended on 31 March 2025, was R249m at 98% which is in line with the budget, this is based on revenue billed an not revenue actually received from debtors.

Property Rates is R29 million. An adjustment will be done on the billing of the property rates for Game Farms. There is a resolution by council dated 01/10/2024 to withdraw from the case against the game farmers and bill the game farmer's property rates using the agriculture tariff.

The electricity sales currently shows only R100m against a budget of R125m. The actuals billing at the end of March 2025 at 80% which is 20% less than what was budgeted to be realised by the end of the Third Quarter.

The total operating expenditure is R106m and at 38% against the budget at the end of March 2024. The Finance charges will be only accounted for later as we still await re-valuation of the landfill site and the post retirement medical aid liability. This will only be done at the end of the current financial year.

2. SAMWU PROVIDENT FUND – “Judgement in the review application was handed down by full bench of the Makhanda High Court on Tuesday 18 March 2025, unanimously finding in favour of Blue Crane Route Municipality
 - The writ issued by the First Respondent (“the Pension Fund”) be and is hereby set aside;
 - It is declared that the interest payable by the Applicant (“the municipality”) to the First Respondant in terms of an Order of this Court is limited by the application of the in duplum rule;
 - The First Resondent is directed to pay the cost in writ, including the cost of two Counsel to be taxed in accordance with Scale C, set out in Rule 69 (7) of the Uniform Rules of Court”.

The finance department has 2 vacancies funded and advertised

- Credit Negotiator vacancy will assist with the revenue collection
- The Principle Debtors clerk vacancy advertised will assist with the accurate meter readings and payment of accounts for cash generation.

Table C2: Monthly Budget Statement - Financial Performance (standard classification)

This table reflects the operating budget (financial performance) in the standard classifications which are the Government Finance Statistics Functions and Sub-functions. These are used by National Treasury to assist with the compilation of national and international accounts for comparison purposes, regardless of the unique organisational structures used by the different institutions.

The main functions are Governance and administration; Community and public safety; Economic and environmental services; and Trading services.

It is for this reason that Financial Performance is reported in standard classification, Table C2, and by municipal vote, Table C3.

4.5. Evaluation of Conditional Grant Expenditure

The municipality is the recipient of various conditional grants that are allocated in the Division of Revenue Act (DoRA) with the relevant amounts and conditions attached.

4.6. Summary of any financial problems or risks facing the municipality

The Municipalities liquidity ration calculated as follows:

Current Assets	:	Current Liabilities
291 770	:	253 340
1.15	:	1

Legal matters seriously risking the financial sustainability of the Municipality

Currently there are no matters being dealt with by management, the Provision for Contributions towards SAMWU Provident Fund and Farmers not wanting to pay Property rates in terms of the new property rates policy, valuation roll and rates approved by Council has been resolved.

1) SAMWU Provident Fund

According to SAMWU provident fund, since 31 Jul 2007 until 30 Jun 2013, the municipality incorrectly calculated the contributions towards the SAMWU Provident Fund of 146 employees.

This resulted in the following short payments to the fund for the above-mentioned period:

Description	Amount
Employer Contribution	R 2,686,022.57
Employee Contribution	R 1,118,246.51

Since July 2013 the correct amounts were calculated and paid over the fund. Various decisions were held to refund the fund, but due to financial and budget shortfalls, these amounts could not be refunded.

The Judge President of the SCA recently rejected the petition of the Municipality. The judgement of 2019 stands and the Municipality should now pay accordingly. The claim is in the region of R30m, capital plus interest since 2007.

The Municipality paid the R3.8m capital to the lawyer representing the Fund. It be noted that R3.8million was paid for the capital of the claim of the fund and R8.4million was paid on 3 May 2024 in terms of interest. This was done using cash resources available at the time.

"Judgement in the review application was handed down by full bench of the Makhanda High Court on Tuesday 18 March 2025, unanimously finding in favour of Blue Crane Route Municipality

- The writ issued by the First Respondent ("the Pension Fund") be and is hereby set aside;
- It is declared that the interest payable by the Applicant ("the municipality") to the First Respondant in terms of an Order of this Court is limited by the application of the in duplum rule;
- The First Resondent is directed to pay the cost in writ, including the cost of two Counsel to be taxed in accordance with Scale C, set out in Rule 69 (7) of the Uniform Rules of Court".

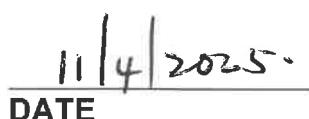

2) GAME FARMS – PROPERTY VALUATIONS AND RATES POLICY

There is a resolution by council dated 01/10/2024 to withdraw from the case against the game farmers and bill the game farmer's property rates using the agriculture tariff.

4.7 Municipal Cost containment measures

National Treasury circular 97 of July 2019 requires Municipalities to report in the Annual report and the quarterly report on cost containment measures implemented during the year. The Municipal Cost containment Regulations (MCCR) were also published on 7 June 2019.
