NOTICE NO: 78/2025

Call for Community Submissions on Ward Demarcation Proposals.

The Blue Crane Route Municipality urges all community members to actively participate in the ongoing ward demarcation process. The Municipal Demarcation Board (MDB) is currently considering proposals for the demarcation of wards within the municipality.

Community members are encouraged to submit their written comments, inputs, or objections to the Demarcation Board no later than Friday, 24 October 2025 at 00H00. Forms are available on the MBD Website, or you can collect the form at BCRM at the Mayor's Office.

This call for submissions follows a virtual consultation meeting held on 15 October 2025, where key discussions and presentations on the proposed ward demarcations took place.

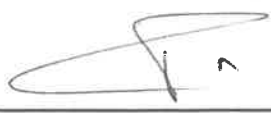

Your participation is vital in ensuring that the final ward boundaries reflect fair representation and the true interests of our communities.

For more information or guidance on how to make a submission, please visit the Municipal Demarcation Board's website at www.demarcation.org.za or contact them on 012-342 2481 or contact the Blue Crane Route Municipality's Communication Office at 042-243 6410

Together, let's build a municipality that represents every voice.

BCRM is working for you!

Yours Faithfully,

MZWANDILE P. NINI
