**Date: 10 December 2025**

**NOTICE NO: 101/2025**

**REFUSE COLLECTION NOTICE TO ALL BUSINESSES IN THE CBD**

The Blue Crane Route Municipality hereby notifies all businesses within the Central Business District (CBD) of the regulations governing refuse disposal, as outlined in the Municipal Solid Waste By-Laws.

It has come to the attention of the Municipality that some businesses are placing refuse outside for collection every day, including weekends, which is not permitted.

**Please take note of the following:**

Refuse collection in the CBD takes place only on Mondays, Thursdays, and Fridays. No refuse collection services are provided after hours (after 16h30) or during weekends.

Businesses are required to ensure that refuse is placed out only on the scheduled collection days. Failure to comply with this notice will result in a fine, as per the applicable Municipal By-Laws.

**In addition, the following waste types are not accepted at the Municipal Landfill Site:**

- **Hazardous waste**
- **Medical waste**
- **Liquid waste**

Your cooperation in adhering to these requirements is appreciated and necessary for maintaining cleanliness and effective waste management in the CBD.
