NOTICE NO: 34/2026

ILLEGAL DUMPING

The Municipality has noted with serious concern the increasing incidents of illegal dumping within the community. It has been observed that certain residents are placing refuse out for collection on Sundays and unlawfully dumping waste at the skip bins situated in Langenhoven Park and next to the Swimming Pool in Hill Street. Furthermore, bakkies are also being used to dispose of garden waste and other refuse at these sites.

Residents are hereby informed that the skip bins are strictly intended for the disposal of domestic garden waste only. Any person making use of a bakkie or trailer to transport waste must dispose thereof at the designated Somerset East landfill site.

The dumping of household refuse, building rubble, black bags, or any other unauthorized waste at these skip bins constitutes illegal dumping and is a direct contravention of municipal by-laws.

Residents are instructed to cease this unlawful behaviour immediately. The Municipality will intensify monitoring of these areas, and any person found illegally dumping waste or contravening the waste disposal regulations will be fined and may face further legal action without further warning.

The Municipality appeals to all residents to act responsibly and assist in keeping the community clean, healthy, and safe.
