NOTICE OF THE AWARD OF A LONG-TERM LEASE AGREEMENT TO MAST SERVICES

Blue Crane Route Municipality hereby informs residents, interested and affected parties, and members of the public of the award of a long-term lease agreement to Mast Services for a period of nine (9) years in respect of municipal property situated on Erf 1, Somerset East, for the installation and operation of telecommunications tower infrastructure.

The lease agreement relates to the utilisation of municipal land for telecommunications infrastructure and is intended to provide for the continued operation of the tower infrastructure in accordance with the applicable lease conditions and municipal requirements.

Members of the public are hereby informed of this lease award in the interest of transparency and accountability. Any interested or affected party wishing to obtain further information regarding the lease agreement may direct enquiries to Blue Crane Route Municipality through the appropriate municipal offices within fourteen (14) days from the date of the signature.

The Municipality remains committed to the responsible management of municipal assets and the promotion of transparent administrative processes in the best interests of the municipality and its residents.
