1.1 MAYOR'S REPORT

In terms of the MFMA (Section 28) the approved budget may be revised through an adjustments budget.

Section 28(2) further provides that; An Adjustments budget –

- *Must adjust the revenue and expenditure estimates downwards if there is a material under-collection of revenue during the year;*
- *May appropriate additional revenues that have become available over and above those anticipated in the annual budget, but only to revise or accelerate spending programmes already budgeted for;*
- *May, within the prescribed framework, authorize unforeseen and unavoidable expenditure recommended by the Mayor;*
- *May authorize the utilization of projected savings in one vote towards spending under another vote;*
- *May authorize the spending of funds that were unspent at the end of the past financial year where the under-spending could not reasonably have been foreseen at the time to include projected roll-overs when the annual budget for the current year was approved by council;*
- *May correct any errors in the annual budget, and*
- *May provide for any other expenditure within a prescribed framework.*

The Municipal Budget and Reporting Regulations further provide the following;

Timeframes for tabling of adjustment budgets

- *An adjustment budget referred to in section 28(2)(b), (d) and (f) of the Act may be tabled in the Municipal Council at any time after the mid-year budget and performance assessment has been tabled in the council, but not later than 28 February of the current year;*
- *Only one adjustment budget referred to in sub regulations (1) may be tabled in the municipal council during a financial year, except when the additional revenues contemplated in section 28(2)(b) of the Act are allocations to a Municipality in a National or Provincial adjustments budget, in which case sub regulation (3) applies.*
- *If a National or provincial adjustment budget allocates or transfer additional revenue to a Municipality, the Mayor of the Municipality must, at the next available council meeting, but within 60 days of the approval of the relevant National or Provincial adjustment budget, table an adjustment budget referred to in section 28(2) (b) of the Act in the Municipal council to appropriate these additional.*

1 The Municipality embarked on a process where the inputs of the various departments were discussed. On 9 February 2022 the projected cash short fall of R9m for the current financial year was discussed and on 16 February 2022 a Budget Steering Committee was held where the operational shortfall of R2.8m was presented.

2.2 However no savings were identified or recommended and the adjusted budget was therefore not balancing or cash funded.

2.3 It is therefore recommended that vacancies on the personnel budget only be filled if other savings could be identified first.

2.4 The adjustment budget document with the relevant Schedule B tables for the 2021/2022 Adjustments MTREF Budget in accordance with legislation, Section 28 of the MFMA No. 56 of

2003 read together with Section 23, 24, 25, 26 and 27 of the MFMA: Municipal Budget and Reporting Regulations are hereby tabled.
